Subject: TYRE & RUBBER INDONESIA 2026 follow up- from HOPE Intelligent
---

Dear Sir / Ma'am,

Greetings from HOPE Intelligent!

It was a great pleasure that my colleague, Gong Wei met you at the TYRE & RUBBER INDONESIA 2026, and thank you so much for your time and valuable insights.

This is Kathy Zhang from the Foreign Trade department of **HOPE Intelligent Compay**. Our company is a leading manufacturer of solid tire production equipment and rubber processing machinery in China. We are expanding our business in the Indian rubber and tire industry, manufacturing and offering for intelligent equipment, non-standard automated rubber and plastic systems, environmental governance, smart logistics, and industrial software informatization etc.

For your reference, I have attached our company profile and detailed product catalog to this email. You can find our core advantages, production capacity, and successful cooperation cases in the attachments.

We would be grateful for the opportunity to discuss potential cooperation in equipment supply, technical solutions, and after-sales service for your production lines.

At HOPE Intelligent Compay, we are committed to providing not only high-quality machinery, but also reliable after-sales support and technical assistance to ensure smooth and uninterrupted operations.

We are confident that our solution will add value to your production process and help enhance your overall efficiency and product quality. We look forward to the opportunity to work with your esteemed organization.

Please feel free to contact us for any further information or clarification.

Thank you for your time and consideration.
