Dear Mr. Lantsov,

On behalf of GAPKINDO, we would like to express our sincere appreciation for your interest and discussions with our association regarding the potential for natural rubber trade between Belshina JSC and GAPKINDO members.

As we mentioned during our previous meeting, GAPKINDO is an association and therefore does not engage directly in trading activities. In response to your letter concerning the request for natural rubber, GAPKINDO has issued two circulars and distributed them together with your offering letter to all of our members. At present, GAPKINDO has 112 members, of which 98 companies are actively involved in processing and exporting Standard Indonesian Rubber (SIR), primarily SIR20.

For your convenience, please find enclosed the updated GAPKINDO Membership Directory. We encourage you to contact our members directly to explore possible trading opportunities. We truly appreciate your kind understanding and look forward to continued cooperation.

Thank you for your kind understanding.
