subject: Inquiry for SIR 20 natural rubber

Dear GAPKINDO Secretariat Team,

I hope this message finds you well.

My name is Edmond from Minda Kintara Sdn Bhd, Malaysia. We are currently sourcing natural rubber SIR 20 (TSR 20 equivalent) for industrial and compounding applications.

We would like to kindly request GAPKINDO's assistance in providing a list of direct SIR 20 processing factories in Indonesia (producers/processors only), including their contact details. We are specifically interested in:

- Factories with own processing facilities in Indonesia
- SIR 20 (ISO 2000 / SNI compliant) production
- Export-capable producers (FOB Indonesian ports)
- Our monthly quantity requirement is 2000MT.
- If possible, we would also appreciate guidance on:
Recommended GAPKINDO member factories by region (Sumatra / Kalimantan)

Thank you very much for your support. We look forward to your reply and to potential cooperation with GAPKINDO members.

B/RGDS
Edmond
