subject: Request for Indonesian RSS 1 Natural Rubber Producers / Exporters

Dear GAPKINDO Team,

My name is Roman Gafner, I represent LLC “REZINA I KAUCHUK”, Russia.

We are looking for reliable Indonesian producers or exporters of Natural Rubber RSS 1 for direct purchase.

Our initial request is 20–40 MT, with possible regular purchases subject to price, quality and delivery terms.

We are especially interested in Indonesian RSS 1 in standard export packing / large bales.

Could you please advise member companies or contacts responsible for Natural Rubber RSS 1 export sales?

We would appreciate your assistance or referral to reliable producers/exporters.

Best regards,
Roman Gafner
