Dengan hormat,

Menindaklanjuti informasi yang diperoleh dari GAPKINDO Cabang Kalimantan Selatan, Tengah dan Timur, bahwa PT Terminal Petikemas Surabaya mengenakan tarif tambahan pelayanan berupa biaya tarif pemindaian setiap peti kemas ekspor untuk komoditas karet SIR sebesar Rp 120.000 per kontainer sejak 25 September 2026.

Sesuai dengan ketetuan sebagaimana tertuang dalam PMK 155/PMK.04.2022 tentang Ketentuan Kepabeanan di Bidang Ekspor, tidak ada kewajiban seluruh kontainer ekspor karet alam menjalani HICO Scan tanpa pengeculian. Fasilitas ini berfungsi bagi pemerintah untuk memastikan kebenaran jenis dan volume barang yang akan diekspor. Dengan demikian kami memandang bahwa kalaupun diperlukan pemindaian HICO Scan maka tidak relevan penggunaan jasa ini dibebankan kepada shipper/eksportir sehingga menimbulkan beban biaya tinggi yang pada akhirnya mengurangi daya saing produk karet Indonesia.

Sehubungan dengan hal tersebut di atas, kami memohon bantuan kepada DAPALINDO untuk mengajukan keberatan kepada PT Pelindo Terminal Petikemas TPS Surabaya atas pengenaan biaya pemindaian dimaksud.

Demikian kami sampaikan. Atas perhatian dan bantuan Bapak kami ucapkan terima kasih.

Hormat kami,

Dengan hormat,

Sehubungan dengan adanya surat edaran PT.Terminal Petikemas Surabaya No.PU.05.02/17/9/1/83.2.1/A/TPSS-26 tanggal 17 September 2026, khusus yang berkaitan dengan pengenaan tarif pelayanan tambahan berupa tarif pelayanan pemindaian setiap peti kemas ekspor untuk komoditi karet SIR yang berlaku tanggal 25 September 2026 dan menurut data dikenakan biaya IDR Rp.120.000,- per kontiner.

Bahwa penerapan HICO Scan merupakan kewajiban Pemerintah melalui kewenangan pengawasan dari Bea dan Cukai sesuai UU Kepabeanan, dan oleh karenanya sudah selayaknya pengenaan biaya pemindaian setiap peti kemas ekspor tidak dibebankan kepada shipper, yang pada gilirannya akan menambah beban biaya tinggi.

Demikian, atas perhatian dan Kerjasama baiknya diucapkan terima kasih.

Hormat kami,
Sekretariat GAPKINDO CABANG KALSELTENGTIM
