Dear Commercial & Export Sales Team at GAPKINDO (Gabungan Perusahaan Karet Indonesia),

I hope this message finds you well.

I am writing to briefly follow up on our official Request for Quotation (RFQ-NR/2026/10-08) sent on 7 September regarding forward natural rubber procurement for October 2026 delivery.

- We are evaluating supply allocations for the following grades:
- Standard Indonesian Rubber SIR 20
- Standard Indonesian Rubber SIR 10
- Standard Indonesian Rubber SIR 3L
- Planned trial volume: 80 to 100 MT per grade (approx. 4–5 x 20' FCL)
- Target shipment: October 2026

Our procurement desk is currently finalizing monthly allocation schedules for Q4 2026 this week. Could you please kindly advise on your earliest production availability and provide indicative FOB / CIF price quotations (USD/MT)?

For your convenience, our original RFQ document (RFQ_08_GAPKINDO_Gabungan_Perusahaan_Karet_Indonesia.pdf) remains available on file. If any technical clarification is required from our side, please let me know.

Thank you for your time, and we look forward to your reply.

Sincerely,

Rachel Bergman
